# BACKGROUND

Rankoro Logistics (Pty) Ltd is a 100% black owned company which was established by Mrs Mpho Motshabi and Mr. Motshabi in 2018.

Rankoro Logistics was initially registered as Rankoro Trading (Pty) Ltd because it was focused on conducting business with various Municipalities and states departments.

The company then changed its name to Rankoro Logistics when shifted its focus into the logistics business.

Rankoro Logistics (Pty) Ltd is a newly established trucking company that aims to provide above board transportation services, the company is completely mindful of logical requirements from clients and execution procedures.

Our company is headquartered in Pretoria, with operational hubs in Witbank, strategically positioned to serve the mining and industrial sectors.

## EQUIPMENT AND TECHNOLOGY

Our fleet consists of 3 MAN trucks and 3 Afrit Super Interlink Side Tipper Trailers. Two of the Afrit Trailer were recently purchased from Afrit.

Our Trucks are equipped with modern tracking and communication technology for efficient logistics management.

The equipment in our trucks was installed by Fleet Cam SA, who are also responsible for the monitoring of our trucks on a 24-hour basis.

Rankoro Logistics also have a Ford Ranger Wildtrack bakkie which is dedicated to support the Trucks in the event of breakdowns or any other challenge that the drivers may encounter.

## SUPPLIERS AND PARTNERSHIPS

We have established partnerships with fuel suppliers, maintenance service providers, and insurance companies to ensure the smooth operation of our fleet.

## REGULATORY COMPLIANCE

We adhere to all relevant transportation and safety regulations in South Africa, including licensing and permits.

## HEALTH & SAFETY MEASURES

Safety is our top priority. We have strict safety protocols in place, including driver training, vehicle maintenance, and emergency response plans.

## QUALITY CONTROL

We maintain high-quality service standards through regular vehicle maintenance, driver training, and adherence to industry best practices.

## OUR TEAM

Our dynamic and competent teams comprise of:

### MANAGING DIRECTORS

Mrs. Mpho Motshabi is our Managing Director. Mrs. Motshabi is an Attorney of the High Court and was employed by Ngaka Modiri Molema District Municipality as a Legal Administration Office: Contract Management and Compliance from April 2012 until she

resigned in December 2022 to focus her attention on business.

Her wealth of experience in local government has put her in a strong position to manage complex business transaction, negotiate complex business transactions and to thrive in a highly regulated transport industry.

Mr. Motshabi is also a Managing Director. Mr Motshabi is also an Attorney of the High Court of South Africa and a director of Motshabi & Associates. He specializes in labour law. He has been in business since August 2012 and is a skilled manager and negotiator.

The Managing Directors oversee all the overall business operations of the company.

## FLEET MANAGER

Mr Sydwell Lindokhuhle Dlamini is our Fleet Manager. He was previously employed in the same position by Nu Eagles for a period of two (2) years until he joined Rankoro Logistics in January 2024.

## OFFICE ADMINISTRATOR

Mr Charlse Sefularo is our Office Administrator. He was previously employed as an Intern by Ngaka Modiri District Municipality in its Human Resources Management.

## DRIVERS

Rankoro Logistics has employed a strong team of drivers. Cumulatively, our drivers have over 40 years' experience of truck driving. Our drivers possess all the necessary documents to operate the Trucks. The drivers are experience in both short and long-distance driving. Our drivers are: -

- Mr Walter Makoni. He has been driving Trucks for the past 30 years.
- Mr Gift Kasukuwere. He has over 20 years' experience of driving trucks.
- Mr. Enock Shupikai. He has been driving trucks for over 25 years.
- Mr. Msingatheni Mchunu. He has over five (5) years' experience of driving trucks.
